Large families or groups traveling together will find plenty of space to soak up the gift of time and enjoy their private piece of island paradise. Point of View's prime location in South Sound ensures both seclusion and proximity to Cayman's world-class dining and entertainment. From a walk on the exquisite, white-sand beach to an al fresco dining experience beneath the stars, guests will experience a truly memorable escape in the company of their closest friends and family.*

Point of View is a newly renovated modern villa that emulates the warmth and convenience of a luxurious home away from home. Perched by the sea in the sophisticated neighborhood of South Sound, Point of View offers superior comfort for up to sixteen discerning guests across six bedrooms, each with an en-suite bathroom and ample space for relaxation and privacy.

Kids have freedom to play in the recreation area and a six-person bunk room, and the private, child-friendly beach is perfect for even the littlest bare feet. Inside, seamless living spaces maximize breathtaking ocean vistas and cool breezes, and guests can enjoy the sun and uninterrupted seascapes from the terrace, boasting an outdoor kitchen, breezy dining spaces and an infinity pool.

# Relax. Rebalance. Rejuvenate.

*Point of View's palatial size and clever design allow multiple families to enjoy the company of loved ones as well as indulgent moments of peace. An oceanfront master suite with morning kitchen awaits one lucky couple, while a second master suite with sea views is equally sumptuous. Outside, a sun-drenched terrace and spectacular infinity pool—the longest residential pool on Grand Cayman—provide the ultimate setting to rejuvenate and spend quality time together.*

Point of View is beautifully decorated with indulgent, soft furnishings and colors that emphasize the surrounding tropical environs of cobalt sea and white sand. With its stylish fusion of modernism and understated elegance, Point of View delivers an unparalleled sense of Caribbean tranquility.

# A Luxury Villa Stay

*A stay at a luxury villa affords guests all of the benefits of a five-star resort, plus the allure of quietude and absolute exclusivity. Villas provide an intrinsic sense of space —open kitchens, extensive family rooms and well-architected outdoor areas—allowing families to spend time together in intimate, comfortable environments. With the amenities of a private home, guests can customize their schedule to meet the needs of the group, such as preparing healthy meals in the kitchen, washing clothes or enjoying a cocktail while little ones nap nearby. Parents can travel with peace of mind knowing that every detail is taken care of—from cribs to toys to beach towels. Plus, with recreation rooms, gaming stations, pools and sports equipment, kids have myriad entertainment options. Most of all, renting a luxury villa guarantees a level of bespoke personalization and tailored services that resorts just can't match.*
